

At Shoushin we have carefully crafted a beverage program that we believe compliments the flavours and subtle nuances of sushi. While we recognize that some tastes may not be represented in this list we hope that you will allow us the opportunity to help you select a wine, sparkling or sake that will pair well with the exquisite cuisine you are about to enjoy. We are excited to be a part of your dining experience and share some of our interesting beverages and food with you and your guests.

Louis XIII

Louis XIII Rare Cask 42,6
(Limited Edition: Bottle 622/738)

ONE CENTURY IN A BOTTLE

Each decanter takes four generations of cellar masters over one hundred years to craft.

Alongside those autumn aromas, Louis XIII Rare Cask 42,6 declares its distinction with notes of plum and date, mingling with flavours of gingerbread and prune stone, punctuated by a final touch of tobacco leaf. It has an unparalleled complexity and an extremely long finish of up to one hour.

We welcome guests to bring their own wine provided that it is not on our wine list. Corkage fee is \$65 per regular bottle.
